“BizLists Marketplace”

BiznesPolska.pl

BiznesPolska.pl is Poland's leading English-language business website, with focus on foreign investors/ English-language speaking business people living in, or working with, Poland. Our nearly 5,000 business Subscribers get Full access to our BizLists Marketplace, our Weekly Newsletter, special Invitations to bespoke and Partner events, as well as access to business stories and business Videos.

BizLists Marketplace – Concept:

Our BizLists Marketplace is an extensive, deep source of leading businesses in Poland, and provides contacts and context for Premium service providers to companies in Poland. BizLists are value-add business lists, from a wide-range of sources, and with additional data and qualitative rankings from our BizList Research team.

The BizList Marketplace is a platform and key resource for international companies when they are making a buying-decision. **Videos** next to each BizList provide additional context from our network of experts.
